Fields

Fields are on a first come first serve basis only. Times have to be set up through John to play. Shannon to email coaches and coordinators to assure everyone knows they need to schedule field use through John.
There has been an abundance of teams showing up for limited fields.

Norm painting U8 and U6 fields

U8 parent has moved goals to new fields already.

Silver Knolls is still off limits completely

Goals are not going to be anchored because of people ripping out the anchors.

Referee:

Jen's goal is to have 7 to 8 games per ref.

Jen is to Email Coordinators to tell exactly what is needed for credits from ref games.

Maybe a big chart to post credits.

Referees will fill out game cards and schedule with Jen prior to games. What team the represents needs to be put on both game cards.

Jen will not schedule parents to ref their own child's game.

Uniforms

Some are too big some are too small.

Concerns

Fundraiser

Lisa: idea to push for fundraiser to 8/11 and deliver choc to Soccerfest.

Need to determine how return chocolates will be handled.

Suggestion

To have coordinators handle there is a need to have at least \$50 per child

Call all coaches for pledges for sponsorships we need to meet \$16,000

Flyers to be given out

Safe Haven & Disciplinary Committee

The disciplinary committee wants all coaches to have Safehaven in as soon as possible. Shannon is to send out email. All coaches need to show some sort of verification. E-ayso can print out. All volunteers need to have safe haven.

Suggest turning in to Coach Admin in 2 weeks

A cross check of coaches needs to be sent to coach Admin to update any changes, coordinators need to respond to emails sent out.

Inter regional play has been suggested by Fernley and Fallon teams Do we want to put together a special coed team to play them?

VIP

Had pictures taken

Has received chocolate

Need 4 corner flags. There are extra in the ref box and are to take them.

Suggestions to participate in the annual VIP tournament and would like to send teams.

Concord CA web site has VIP info for event. Will let Lisa know what the incentives are for sponsorship

WEB

Our web sit is getting a lot of hits already at 3000

It is a good place to put up VIP information.

Meeting concluded at 9:22
